REAL ESTATE DAYS WERE SUNSHINY AND THE NEXT DAY IT RAINED.

Real Estate Day was such a howling success that its forces extended to the skies, and the day after the drawing it rained; the wind blew and the elements rained; the wind blew and the elements gave a hearty demonstration in honor of the events of the two preceding days. The yellow cast that appeared on the kky during the storm reminded one of the clow that would come over such a potodi of demonstration and energy as prevailed at Saltair on June 20th, and at the Salt Palace on June 30th. Real Estate Day will in the future be known as the lay we celebrate, for next year another ousing and ten times greater celebration will be held, so that the neople may know hat SALT LAKE REAL ESTATE DEALERS are both live and potent quantities.

DEALERS are both live and potent quantities,

"THE REAVIS SYSTEM" contributed some of the thunder to the Real Estate Celebration, and we believe that one-fourth of the population of Salt Lake, to-gether with representatives from nearly every county in the state, received evidence of the fact that "THE REAVIS SYSTEM" is a live and determinately progressive Salt Lake institution that has come to stay.

"THE REAVIS SYSTEM" believes in building up and not breaking down. It believes any institution is known by its works, and that the future greatness of Salt Lake lies entirely within the power of the people to work out municipal salvation with action and executive ability.

"THE REAVIS SYSTEM" is building 60 houses in Salt Lake City and is now accorded the highly appreciated title of being ZION'S FAVORITE HOME-BUILD-ERS.

HOME BUILDERS are the pioneers.

ing ZION'S FAVORITE HOME-BUILD-ERS.

HOME BUILDERS are the pioneers, who clear the way for greater prosperity by dotting vacant property with comfortable homes owned by those who live within them, and giving unto the owners the inspiring and pleasant title of being FREE-HOLDERS.

What recommends "THE REAVIS SYSTEM" more than anything else is the fact that it has moved forward with giant strides, following a course of uprightness and business-like methods, wherein, when a man was ready to build a home it stretched forth its hand to receive him and encourage him in his determination to get a roof of his own over his own head, his children's heads and last, but not least, his wife's head.

"THE REAVIS SYSTEM" has in the past year built over 120 substantial and handsome cottages, residences and business blocks. These represent an addition to the city's taxable worth of over \$400, cond each building erected is a monument to the determination of the people scourge.

Give "THE REAVIS SYSTEM" credit

Give "THE REAVIS SYSTEM" credit for what it has done, and that is all that is asked by its originator, J. Donnan Reavis. IN OTHER WORDS, BOOST FOR THE REAVIS SYSTEM, and don't knock an institution which has done more in the build up Salt Lake than any HE REAVIS SYSTEM" has this mes-
